

Mara Greens Golf Simulator Resident Coach Program

Mara Greens Golf Simulator provides resident coaches with flexible access to premium launch monitors, golf bays, and online scheduling. Coaches set their own pricing and manage payments directly with students, handling all taxes and business obligations.

Coach Qualifications

Coaches must hold or be pursuing a recognized golf certification (LPGA, PGA, or equivalent), have professional coaching experience, and be capable of guiding students using precise, professional-level performance data.

Resident Coach Package:

<i>Capacity</i>	<i>Rate</i>	<i>Number of Credits</i>	<i>Dues</i>

2. Save your confirmation email and residency 'Code'.
3. To schedule tee times click 'Book a Tee Time' at MaraGreensGolf.com.
4. Click 'Book' and select a 'Date/Time'
5. Enter your residency 'Code' in the 'Package, Gift, or Coupon Code' section at checkout.

Resident Coach Agreement

Participation in the Resident Coach Program is extended to approved coaches and their students and is governed by the rules and policies of Mara Greens Golf Simulator. Coaching credits are designated solely for instruction, with a limit of two bays at a time and up to two students per bay unless arranged in advance. Coaches are expected to maintain a professional environment, oversee student conduct, assume responsibility for any damages, and return each bay in ready condition within their reserved time. Coaches independently establish lesson pricing, collect payments, and manage all tax obligations. Mara Greens reserves the right to limit or revoke access in the interest of safety, policy adherence, or proper facility use. Credits are redeemed in 60-minute sessions and are not available in partial increments. **By purchasing the Resident Coach Package, you agree to these terms and conditions.**
